**BOOK SEED OATS NOW!**

Good seed oats will be hard to find later on! The GERMINATION and quality of a large part of the oat crop harvested this past season is BELOW STANDARD. There may not be enough good seed oats to go around - - -

**RECOMMENDED VARIETIES:**

Tall Oats for Medium to Low Fertility Soils

1. **ANDREWS**—Certified—an excellent yellow-seeded spring oat. Recommended for Missouri, Illinois, Arkansas, Oklahoma and many other states. One of highest yielding oats on market. Similar to Columbia in maturity & height but is higher yielding & has stronger straw. Heads a week earlier than Clinton.
2. **COLUMBIAS**—The old standby for medium to low fertility soils. Early maturity and high in test weight; however, it is susceptible to most oat diseases and probably will be replaced in popularity by Andrews and other resistant oats in the next few years.

**SHORT-STRAW OATS FOR FERTILE SOILS —**

1. **CLINTON**—Very popular, short-strawed yellow oat for fertile or highly fertilized soils.
2. **CLINTON II**—Similar to Clinton but is more uniform and shows more disease resistance.

**KENLAND RED CLOVER**

Kenland is the name given to a new superior red clover variety which is best adapted to the southern part of the red clover belt where southern anthracnose is normally prevalent and frequently a serious disease. The most outstanding characteristic of Kenland is that it is longer lived than other strains, having maintained good stand into the third year or second harvest year.

Our Registered Blue Tag stock should be used by those who intend to have their seed crop certified. For those who want the best for pasture or hay, we recommend our certified seed.

We quote to Dealers only, F. O. B. St. Louis, subject to market changes. Terms: Cash; no discount, subject to demand draft. We make an exchange charge 25c per cwt. on orders for 60 lbs. or less when priced for full bags. Parcel Post orders 25c extra plus postage.

We warrant to the extent of the purchase price that seeds or bulbs sold or as described on the container within recognized tolerances. We give no other or further warranty, express or implied.

**WHOLESALE ONLY**
